

IMV 2022 Mammography and Breast Imaging Market Outlook Report

Table of Contents

I.	Background and Objectives.....	4
II.	Methodology	5
III.	Mammography Market Outlook Executive Summary	9
IV.	Findings.....	15
	A. Mammography Priorities & Outlook	15
	B. Mammography Procedure Volume and Mix.....	25
	C. Biopsy Modalities and Procedures	35
	D. Installed Base of MR Systems.....	39
	E. Mammography Purchase Plans & Market Estimates	58
	F. Additional Breast Care Modalities	79
	G. Trending Topics in Breast Imaging.....	85
	H. Demographics & Site Operations Characteristics	91

IMV 2022 Mammography and Breast Imaging Market Outlook Report

Exhibits

A. Mammography Department Priorities & Outlook.....	15
1. Priorities to the Mission of Mammography Departments Over the Next Year, as of 2022 Survey	16
2. Hospitals vs. Non-Hospitals: Priorities to the Mission of Mammography Departments Over the Next Year, as of 2022 Survey	17
3. Priorities to the Mission of Mammography Departments Over the Next Year, by Hospital Bed Size, as of 2022 Survey	18
4. Relative Impact of COVID-19 on Mammography Department Operations in 2020-2022	19
5. Relative Impact of COVID-19 on Mammography Department Operations in 2020-2022, by Site Type	20
6. Changes Affecting Mammography Operations Due to COVID-19 in 2022	21
7. Potential Actions being Taken by Department to Deal with COVID-19 When Managing Mammography Operations, as of 2022 Survey.....	22
8. Potential Actions Being Taken by Department to Deal with COVID-19: Prepare for increased patient volume due to resumption of related elective procedures by Site Type, as of 2022 Survey	23
9. Potential Actions Being Taken by Department to Deal with COVID-19: Extend operating hours beyond "pre-COVID" hours to accommodate COVID-related workflow issues by Site Type, as of 2022 Survey	23
10. Impact of COVID-19 on Patient Screenings, Diagnosis, and Outcome, as of 2022 Survey	24
B. Mammography Procedure Volume and Mix.....	25
1. Distribution of Responding Mammography Sites and Total Procedures Performed in 2021, by Site Type, as of 2022 Survey	26
2. Distribution of Responding Mammography Sites and Estimated Total Procedures for 2022, by Site Type, as of 2022 Survey	26
3. Average Mammography Procedures, 2021 vs. 2022 (Estimated), by Site Type	27
4. Average 2022 Estimated Mammography Procedures per Mammography Unit, by Site Type.....	28
5. Percent of Sites Performing Diagnostic Mammography Procedures, and Mean Annual 2022 Diagnostic Procedures per Site Performing, by Site Type	29
6. Distribution of Mammography Sites, by Total Procedures Performed in 2021, by Site Type	30
7. Distribution of Mammography Sites, by Estimated Total Procedures for 2022, by Site Type	30
8. Distribution of 2022 Mammography Procedures by Screening vs. Diagnostic, by Site Type	31
9. Distribution of 2022 Mammography Procedures, by 2D vs. 3D, by Site Type.....	32
10. Outlook for Mammography Procedures in 2023 compared to 2022, by Site Type	33
11. Plans to Acquire Mammography Technology Over the Next Three Years, as of 2022 Survey	34
C. Biopsy Modalities and Procedures.....	35
1. Whether Mammogram-Related Biopsies are Collected at the Facility, as of 2022 Survey.....	36
2. Types of Biopsy Procedures Performed, by Hospitals vs. Non-hospital, as of 2022 Survey	36
3. Distribution of Imaging Modalities Used for Image-Guided Biopsies, by Hospital vs. Non-hospital, as of 2022 Survey	37
4. Methods Used for Image-Guided Needle Biopsies, by Hospital vs. Non-hospital as of 2022 Survey	38
5. Table Types Used for Image-Guided Needle Biopsies, by Hospital vs. Non-hospital, as of 2022 Survey	38
D. Installed Base of MR Systems.....	39
1. Distribution of Mammography Installed Units, by Year of Installation, as of 2022 Survey	40
2. Mammography Installed Base, by System Type, as of 2022 Survey	41
3. Distribution of Mammography Installed Base, by System Type, by Site Type, as of 2022 Survey	41
4. Hospital Departments Where Installed Mammography Units are Located, as of 2022 Survey	42
5. Whether the Mammography System was Originally Purchased New or Refurbished/Used, by 2D vs. 3D, as of 2022 Survey	43

6. Whether the Mammography System was Originally Purchased New or Refurbished/Used, by Site Type, as of 2022 Survey	44
7. Distribution of Sites, by Number of Mammography Units Installed, by Site Type, as of 2022 Survey	45
8. Distribution of Mammography Installed Base, by Year of Installation, by Site Type, as of 2022 Survey.....	46
9. Mammography Installed Based Share, as of 2022 Survey	47
10. Mammography Installed Base Share, by 2D vs. 3D, as of 2022 Survey	48
11. Mammography Installed Base Share , by System Type, as of 2022 Survey	49
12. Distribution of Sources for Primary Service Support of Mammography Systems, as of 2022 Survey	50
13. Distribution of Sources for Primary Service Support of Mammography Systems, by Site Type, as of 2022 Survey	50
14. Distribution of Sources for Primary Service Support of Mammography Systems, by Year of Installation as of 2022 Survey	51
15. Primary Source of Mammography Service Support, by Whether the System was Originally Purchased New or Refurbished/Used, as of 2022 Survey	52
16. Primary Service Support of Mammography Systems, by 2D vs. 3D, as of 2022 Survey.....	53
17. Contractual Arrangements with Outside Mammography Service Providers, as of 2022 Survey	54
18. Type of Service Contractual Arrangements for Mammography Systems, by Site Type, as of 2022 Survey ...	54
19. Whether the Mammography System was Originally Purchased New of Refurbished/Used, by 2D vs. 3D, as of 2022 Survey	55
20. Type of Service Contractual Arrangements with Mammography Service Providers, by Primary Source of NM Service Support, as of 2022 Survey.....	56
21. Type of Service Contract Arrangement for Mammography Systems, by Year of Installation, as of 2022 Survey	57

E. Mammography Purchase Plans 58

1. Percent of Sites Planning to Purchase Mammography Systems in the Next Three Years, by Site Type, as of 2022 Survey	59
2. Purchase plans for Mammography Systems Over the Next Three Years, as of 2022 Survey	60
3. Plans for Replacement and Additional Mammography Systems, by Site Type, as of 2022 Survey	61
4. Type of Mammography Systems Planned for Purchase, as of 2022 Survey	62
5. Type of Mammography Systems Planned for Purchase, by Site Type, as of 2022 Survey	62
6. Plans for New vs. Refurbished/Used Mammography Systems, by Site Type, as of 2022 Survey	63
7. Plans for New vs. Refurbished/Used Mammography Systems, by System Type, as of 2022 Survey.....	64
8. Mammography System Replacement Cycle, Based on 2022 Survey Response.....	65
9. Distribution of Mammography Budgets, by Budget Year, as of 2022 Survey	66
10. Distribution of 2023 Mammography Equipment Budgets	67
11. Distribution of 2023 Mammography Budgets, by Site Type, as of 2022 Survey.....	67
12. Whether Planned Mammography Systems will be Part of a Multi-Modality Purchase, by Site Type, as of 2022 Survey	68
13. Whether Mammography Purchases are Usually Part of a Larger Purchase for the Healthcare System, or are Made Just for this Facility, by Site Type, as of 2022 Survey	69
14. Whether Decisions for Purchasing Mammography Systems are Usually Made at the Corporate HQ or at the Individual Facility Level, as of 2022 Survey	70
15. Whether Influence of Corporate HQ in Purchase Decisions for Mammography Systems is Increasing, Staying the Same, or Decreasing in 2022, Compared to 2-3 Years ago, as of 2022 Survey	71
16. Preferred Mammography Manufacturer in Healthcare System/Organization, as of 2022 Survey	72
17. Preferred Mammography Manufacturer in Healthcare System/Organization, by Site Type, as of 2022 Survey	72
18. Preferred Mammography Manufacturer in Healthcare System/Organization, by Hospital vs. Non-hospital, as of 2022 Survey	73
19. Preferred Mammography Manufacturer in Healthcare System/Organization, by Location Type, as of 2022 Survey	73
20. OEM Installed Base Preference for (Hologic, GE and Siemens)	74
21. Percent Distribution of Sites Mentioning Manufacturers Considered for Next Mammography System Purchase, as of 2022 Survey	75

22. Percent Distribution of Sites Mentioning Manufacturers Considered for Next Mammography System Purchase, as of 2022 Survey	76
23. Factors Affecting the Future Outlook for Mammography at Your Facility Over the Next Few Years, as of 2022 Survey	77
24. Hospitals vs. Non-Hospitals: Priorities to the Mission of Mammography Departments Over the Next Year, as of 2022 Survey	78
F. Additional Breast Care Modalities	79
1. Other Imaging Modalities Used for Breast Imaging, as of 2022 Survey	80
2. At Sites Using Ultrasound for Breast Imaging, Can Patients Complete a Mammogram and Ultrasound in the Same Visit?	80
3. Distribution of January-June 2022 Breast Imaging Procedures by Screening vs. Diagnostic, by Modality	81
4. Average 2021 Breast Imaging Procedures per Site, by Modality, as of 2022 Survey	82
5. Hospital Department Where Imaging Equipment Used for Breast Imaging is Located, by Modality as of 2022 Survey	83
6. Distribution of January-June 2022 Breast Imaging Procedures by Routine vs. High Risk, by Modality	84
G. Trending Topics in Breast Imaging	85
1. Priority Ranking for using Artificial Intelligence and Machine Learning Tools in Mammography Departments, as fo 2022 Survey	86
2. #1/#2 Priority Ranking for Using Artificial Intelligence and Machine Learning Tools in Mammography Departments, as of 2022 Survey	87
3. Current Uses of AI, as of 2022 Survey	88
4. Does your Facility Personalize Breast Care Depending on Age, Breast Density, Size, Medical History, Risk?	89
5. How Does the Imaging Protocol Change for High-Risk Patients?, as of 2022 Survey	89
6. Current Use of Contrast Enhanced Mammography, as of 2022 Survey	90
7. Use of Mobile Mammography Services, as of 2022 Survey	90
H. Demographics & Site Operations Characteristics	91
1. Hospital vs. Non-Hospital Mix of Mammography Locations, as of 2022 Survey	92
2. Number of Non-Hospital Mammography Locations Owned by Affiliated Organizations, 2022 Survey	92
3. Sites Using Fixed vs. Mobile Mammography Systems, as of 2022 Survey	92
4. Hospital Sites by Facility Ownership, 2022 Survey	93
5. Non-Hospital by Facility Ownership, 2022 Survey	93
6. Physician Practices by Specialty, 2022 Survey	93
7. Percent of Mammography Sites with Specified Staff Types, by Site Type, as of 2022 Survey	94
8. Mean Number of Employees per Mammography Site Having that Type, by Site Type, as of 2022 Survey ..	94
9. Number of MR Technologists Involved with Mammography Procedures, as of 2022 Survey	95
10. Percent of Procedures Using Outside Reading Services, On-Site Physicians, vs. Off-Site Physicians to Read Mammography Scans, by Site Type, as of 2022 Survey	96
11. Percent of Sites Using Outside Reading Services, On-Site Physicians, vs. Off-Site Physicians to Read Mammography Scans, by Site Type, as of 2022 Survey	97
12. Hours per Weekday Mammography Department Open, by Site Type, as of 2022 Survey	98
13. Hours per Weekend Mammography Department Open, by Site Type as of 2022 Survey	98
14. Information Sources Used During Decision Process for Purchasing Mammography Equipment, as of 2022 Survey	99
15. Information Sources Used During Decision Process for Purchasing Mammography Equipment, by Site Type, as of 2022 Survey	100
